What's a nice girl to do when her beautiful butt is so fine that it just won't stay in it's panties? What's this same girl to do when she wants to show it off all the time? We have an idea. Strip off them knickers and let us see it so we can admire it, and then pull out our cocks and fuck it. Nice girls like that!

After a long day of girl-on-girl pleasuring , Vida and Kandi take time out for some self=diddling. The last few hours have been a lot of fun on the sofa with boobs and pussies all over each other. But even so, there has to be time for that final climax and so they stretch it out as long as they can. With little time left before the boys get there, the two ladies finish each other off and in just enough time to refreshen up. And then there's a knock at the door.

WET and WETTER

It's the middle of June and I'm caught in a downpour. It was a Friday night and I'd been working late to try to get through the backlog of paperwork that seemed to be never ending. Finally, I was glad to be almost home, but pissed as I didn't have an umbrella to stop me from getting drenched. Well it was do it now or sit around for goodness knows how long to wait for a break in the weather. I decided to make a run for it up to the entrance of my apartment building.

I went for it and made it inside and dripped my way to the elevator. My dressy blouse was glued to my breasts and as it was cold my nipples were hard and poked into the material as little round bumps. The elevator doors opened and just as I pressed the button for the thirtieth floor and as the doors started to close, a man who had also had been caught in the downpour placed his hands on the doors to stop them from closing.

He pulled them open and stepped in apologizing to me for having to do it. He was a handsome man. He glanced at me and our eyes locked. I was taken by his looks and immediately drawn to him. I had strange burning desire to go to him and kiss him but was nervous and felt rather silly that I should be feeling such things with a complete stranger. He noticed me checking him out and gently took my hand kissed and smiled as if he knew what was up.

I tried to discreetly rearrange my blouse so that my breasts were not so exposed. He touched my hand again it was to reassure me that he enjoyed seeing my hard nipples and gently cupped both breasts with his hands. I sensed the aching in my vagina and her pulse quickened with his touch.He moved closer and gently kissed me mouth, his tongue dancing with mine in circling motions that made me feel even more turned on. He began to unbutton my blouse and with his other hand pressed the stop button.

He unbuttoned his pants and I touched his hard cock with one hand as I released my boobs from my bra. I could no longer hold back. He was so hard as I moved my hand slowly up and down and applying a stronger grip with each movement. I slowly moved my mouth down his chest and onto his cock and gently licked the head making circular motions together with a firm grip moving up and down his shaft. I moved my hand down to his balls and gently massaged them.

He moved so that he sat on the floor and moved his hand to my crotch where he ran his fingers over my pussy and slipped his index finger underneath my panties. I was moaning and found it hard to continue pleasuring him. I had to stop every now and then – he was so good with his fingers that I was on the brink of coming so many times.

*Gorgeous Lady Armani graces last issue's cover of **Black Booty**. With her engaging smile and terrific tush, this vixen is all sex. We hope you didn't miss her ass pounding by LT as she took his huge cock in her back door with her patented smile and willing attitude.*

He gently laid me on the floor circled my nipples with his tongue and moved down to my pussy. I watched as he moved quickly to my pussy and while still fingering me, slid his tongue into me circling my clit. I could feel myself climaxing.

He was nearing climax himself so I masturbated him harder as my hands moved quickly up and down his shaft. He came quickly onto my stomach. We kissed and introduced ourselves to each other.

– Corrine, in between floors

are you an ass man?

Not sure? Well, then, take our handy-dandy quiz, add up your points, and find out!

Sure, sure, you think you're an ass man. But are you really an ass man? We mean a die-hard, dyed-in-the-wool, serious anal-ist – the kind of guy who would crawl through broken glass for some fine ass? The kind of guy that smacks it before he bangs it?

1) When first meeting a woman, do you...

A) Look her in the eye and shake her hand.
B) Check out her boobs.
C) Unobtrusively angle your head to get a view of her ass.
D) Walk behind her, give her ass a squeeze and exclaim, "Damn, you got some fine booty, girl!"

2) At a party, you spy some fine lady squeezed into pants so tight you can make our her butt crack and camel toe. As an icebreaker, do you...

A) Wait for her to examine a piece of artwork or sculpture, and start chatting with her about it.
B) Introduce yourself and offer to freshen her drink.
C) Walk up to her and say, "I'm like chocolate – I go straight to your ass!"
D) Get her drunk, find an empty walk-in closet, and do her ass six ways to Sunday before she knows what hit her.

3) You're with your lady on the street, and she sees you checking out some other girl's bodacious butt. Do you...

A) Immediately apologize, say you weren't thinking, wonder how you could be so stupid, and offer to make it up to her with a fine dinner and a foot massage.
B) Tell her, "No, no! She was wearing a belt like one I saw in a catalog and wanted to buy you! C'mon, baby, let's take you clothes shopping!"
C) Say, "Aw, baby, I was just thinking how much hotter you are and how lucky I am!"
D) Say, "Shit, yeah! Come on, baby! Let's go see if you, me and her can go ba-danga-dang, all three of us, damn! Whatcha say, girl? Am I big enough for both yo' asses?"

4) Does your lady like it in the butt?

A) Yea, isn't that why god put it there?
B) I don't think so. It's a one way hole, OUT!
C) It's okay if she's in the mood and she's never in the mood.
D) If she's drunk and she is liking me at the moment, then I can do anything.

JENNA
DON'T TEASE ME BABY...

There's only a few things that I haven't done sexually, yet. Believe it or not, I want to make it in a British castle. It would be in one of those big stone rooms with a huge fire going in a huge fireplace. There would suits of armor on either side of the door and crossed swords on the walls. There would be a really huge four poster bed with a canopy and side curtains. Then my lover would come in and I'd bathe him in rose-scented water and we would fuck on the big bed. Now and then one of my hand maidens would join us in pleasure."

I'm really not that hard to please. I live in the real world and a fantasy is a fantasy. I don't require expensive gifts or need to drive a fancy car. I'm a bit of a homebody and I like it that way. But my sex life's a different story. When I'm in private the guy has to be on top of his game. I love having sex and I'm demanding so he's got to give it to me right every time.

But he told me that I wasn't going to get off that easy. He wanted something in return. He wanted to have another girl, but I said no, not unless I was there too, A threesome? he said. I laughed and praised him for his math. Yes, I'd have sex with him and another girl – of my choosing. I thought about it for a while and decided I would like to fuck the girl, too. Oh yea, he was all for that. In a week, I'll tell him who it is.

deal of our saliva. We smiled at each other. I slowly progressed downwards, kissing her neck, between her breasts - stopping to flick my tongue from side to side - circling her areolas with it. Then continuing over her flat stomach to her pussy.

I gently parted Aleysha's legs and bent my head closer to her sweet, pink spot. From the sound Aleysha made when my tongue touched her pussy, she was ready to cum. But I was not about to let her, just yet. I continued lapping away at her hot, wet pussy and the moans and breathy pants emitted from her mouth only excited me more. In the warm orange light of the dying fire, I could see her hips bucking at my face and I could see the various muscles in her thighs contracting rhythmically with my sucking and within a few glorious moments I heard Aleysha cry out and, before I knew it, she was exploding! My face was drenched, and her lady juices came spurting from her pussy! I couldn't believe it! After five years together, it is now that I discovered Aleysha was a squirter!

She melted back into the blanket and I stretched out beside her. She rolled over on her side, our bodies touching and I felt her hand at my throbbing cock. I moaned quietly as she began to stroke it and lifted her lips to mine in a very sensual thank you for such a great orgasm. We lay there as the fire slowly went out, the only heat now supplied by me as she stroked me to climax. We gathered our stuff and headed into the RV for the night.

It's now six the next morning and the sun's been up for about a half hour. We each managed a quick shower at the campsite and feel clean and adventurous. A quick fill of the gas tank on Route 395 and we're on our way. It's a beautiful clear, crisp day and about four hours later we pulled into a far corner of one of the parking lots at the Mono Lake site. Before heading out, we munched on bagels and cream cheese and had our morning glass of orange juice. We grabbed some granola bars and our cameras and took the long walk to the edge of the lake.

The view was amazing. The spires and other forms out in the water were pretty weird. Grabbing some brochures, we walked down another pedestrian stairway to an observation platform that projected into the lake for about a hundred feet. Our cameras clicked and the binoculars brought all the weirdness closer for inspection. After about a half hour, we decided to walk the lakeshore and check out some other vantage points. But we were really

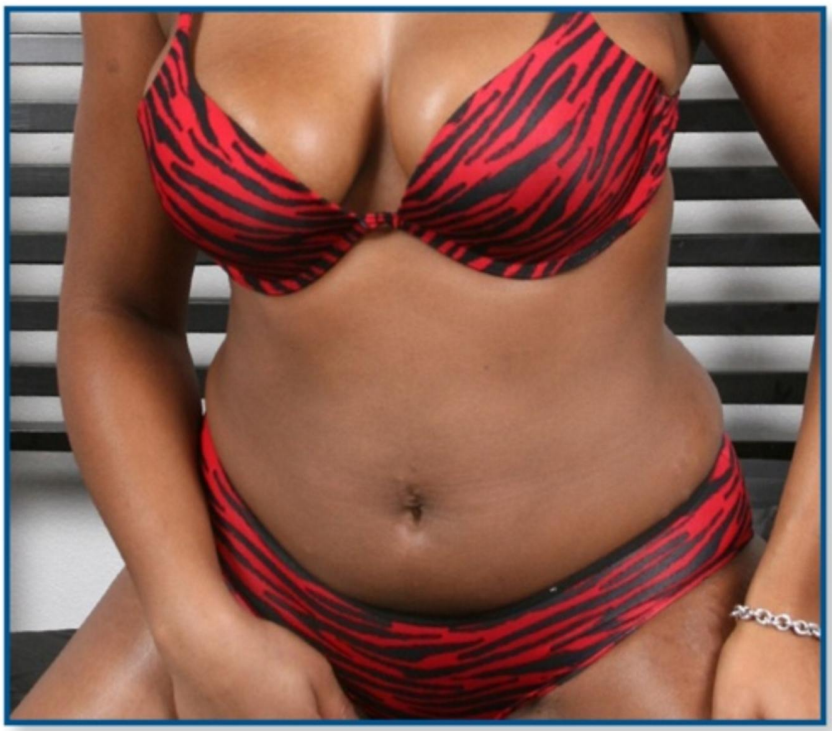

I ran my hands over her body, gripping her thighs, buttocks and breasts. Her nipples were so hard, I just had to pinch them and twist them between my fingertips.

our sexy mono lake adventure

the lake's the place

I finished loading the SUV as Aleysha doused the campfire one last time to be sure it was completely out. We were trying to get an early start into our drive to Mono Lake near Yosemite. It would be an easy drive from Reno and we were excited about seeing this unusual lake.

But I'm getting ahead of myself. The day prior, we were hiking along one of the isolated trails near our campsite late in the day. For a short time thought we were lost but climbed over a ridge and saw our campsite some 300 feet below us. We were the only vehicle left as all the others left that day. It was kind of spooky all alone in the wilderness, but we were avid campers and knew that everything would be fine. Good thing too, because it was approaching dark. We got back to camp and I started a fire to warm us up a few hours before we retired. We settled in and cuddled reminiscing about our past few days here at the park. When we were sure we were all alone we decided we were not going to miss this opportunity to have some fun out in Mother Nature.

We stripped naked and let the fire warm our bodies. Aleysha's beautiful brown body glowed in the firelight. I was sitting on the blanket with a most obvious stiffie. Aleysha sat a few feet away, the fire heating us up even more. I saw she was staring over the low flames at my cock. I looked down at where her crotch met the blanket and noticed a slight damp patch there. I looked up and found Aleysha staring into my eyes. She smiled slightly and stood up slowly.

I must say my breathing quickened when Aleysha sat down in front of me. She reached out with one hand and gently gripped my cock, then she slowly moved her hand over the length of it. My breathing quickened even further, and she gradually sped up her jerking motion. I took her hand signalling that I did not want to cum yet and gently pushed her back onto the blanket. We lay there for a while, her breasts pressed hard into my chest, while we kissed each other, flicking our tongues about each other's mouths. I ran my hands over her body, gripping her thighs, buttocks and breasts. Her nipples were so hard, I just had to pinch them and twist them between my fingertips. This elicited a more fervent suck, and a guttural noise in her throat.

I withdrew my tongue from Aleysha's mouth and raised my head. We must have exchanged a lot of mouth juices because all around her lips, down her cheeks and dribbling down her chin was a great

looking to ditch anyone else and find ourselves some privacy for more erotic picture taking.

Twenty minutes along the southern shore brought us to a cluster of rocks that looked just right. The sun was getting hotter and our clothes were making us hotter. We looked around and found ourselves alone and secluded. Quickly our clothes came off and I took my camera out in time to snap this pic of Aleysha on her knees with my cock in her mouth.

After I took a few such photos I put the camera down and proceeded to enjoy the fruits of our trek to this spot. The sun was beating down on Aleysha's face as she sucked me, naked at the edge of this amazing lake. I watched as she licked my balls from underneath. Her head disappearing between my legs as she sucked each one in turn as one hand

stroked my cock and the other pulled me deeper into her mouth. I looked up every few moments to be sure we were still alone. After several minutes, she put my shirt over a large rock and I sat on it waiting for her sweet pussy to sit on me. Suddenly everything was washed out as the sun and the heat briefly got to me and I dizzied us quickly to place in the shadows.

Gradually, as the world came back into focus, Aleysha was sitting on top of me, my dick was still hard and it was still in her pussy. Then I felt another strange sensation. I realized that Aleysha's vagina was contracting around me. Her muscles continued to pulse as she pushed herself up and down, impaled on my cock. She slowly and gently rocked her hips back and forth and in light circles. My hips thrust into her in response. It didn't take long for me to come. As I shuddered inside Aleysha, her tits jiggled and bobbed slightly. It was an exquisite orgasm, a calm wave rippled through me as I spurted into her still throbbing pussy.

We switched places and she positioned herself with her back on the rock as I stood and looked around to be sure all was still private. I looked back down at her and she opened her legs inviting me to taste her warmth. When I did, I placed my mouth over her clit and labia and sucked at her pussy. After several minutes of furious licking, sucking and fingering, she cried out that it felt so good and I should not stop. I continued fingerfucking her as she rode out her multiple orgasms. Wave after wave rode over her.

When she was finally lying still, I sat up to survey the scene. I heard a rustling in the distance but did not fear anyone was approaching. I looked back down at Aleysha and she looked even more glorious than when I first met her years ago. She was covered in sweat, so much so that she looked like she had just come from a shower, and her skin shone like bronze and jewels from the bright summer sunlight.

We decided it was time to get dressed and get back to the SUV. Hiking back along the shore, we passed a park ranger who asked us if we got a good look at the lake. We said we did and smiled. Passing him, Aleysha unzipped my pants and put her hand in. Finding my cock, she massaged it as we walked and I was rock hard and ready to go again by the time we made it to the parking lot and into the SUV. Our clothes were off before the door was locked and, well you know the rest... "Don't cum a-knockin if the SUV is a-rockin!"

Ashley likes to serve it up piping hot,and Sylvio loves the way she does it. He'll shove his thick cock between her breasts and into her wet, waiting pussy when she begs him to slide it in. Much like a vampire on a daily quest for blood, Ashley looks for cock to suck dry. If you're the lucky victim of her hungry mouth then prepare yourself for her sexfeast. Fortunately, Sylvio has enough splooge to keep her satisfied for the day, but will you?

SOLE DIOR

A SEXY NAME FOR A SEXPOT

I'm kinda new to having my photo taken while I have sex. This is only the second time and I guess I just have to get used to it. At first it's a little weird, but after a few minutes of fucking, you don't notice anymore. But I did find it hard to stop fucking when the director wanted me to. It's also a little strange to have someone tell you when to change positions. At home, we do it as a natural part of things.
